FINAL NOTICE

Please call us IMMEDIATELY at 704.382.5009.

Monday through Friday: 8 a.m. to 5 p.m. EST

<Current Date>

<Customer Name>

<Address>

<City, State Zip>

Dear <Customer Name>,

We are working hard to upgrade and improve the power grid and systems to better serve you. As part of this ongoing work, we began deploying smart meters in 2013, but at your request, you were bypassed from receiving one.

The Public Service Commission of South Carolina approved a manually read meter rider (Rider MRM) for customers who do not want a communicating meter. To date, you have not enrolled in Rider MRM.

To enroll in Rider MRM, please call us at 704.382.5009 within 14 days. If you do not enroll within this time frame, we will install a smart meter at the location below. Please note that if we are unable to access your meter, this will result in your power being disconnected.

<Address1>

If you have already enrolled in Rider MRM or would like to proceed with having a smart meter installed, please disregard this notice.

We remain committed to addressing any questions or concerns you may have. Stay connected by contacting us at **704.382.5009** or email **SmartMeterCarolinas@duke-energy.com** to schedule an appointment for us to access our equipment.

Thank you for your attention.

Robert Moreland
Carolinas Manager
Automated Metering Infrastructure
